

REMARKS

During the Examiner's Interview conducted May 10, 2006, the Examiner recommended amending claims 1 and 14 by inserting in claim 1, limitation (b), after the word gateway "by converting a uni-cast address to a multi-cast address". Similar language would also be inserted in claim 14 after the words "streaming data" found on line 4 of the claim. The Examiner stated that this amendment would place claims 1 and 14 in condition for allowance.

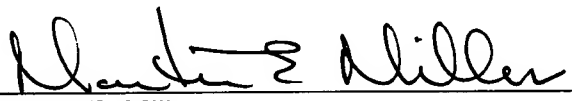

Applicants authorized the Examiner to make the above amendment to claims 1 and 14 by Examiner's Amendment on June 5, 2006.

Based on the Examiner's suggestion to amend the claims and the above authorization of the Examiner to make the Examiner's Amendment, Applicants respectfully submit that the application is now in condition for allowance. Notification to that effect is respectfully requested.

Respectfully submitted,

BUCHANAN INGERSOLL PC
